

PRODUCTIVITY

6200

Fleet Management

Features:

- Complete and extensible fleet solution
- Integrates with Mobile Data Terminal and navigation solutions
- Multiple inputs/outputs, maintenance alerts, robust reports

Key Markets:

- Dispatch companies
- Local delivery fleets
- Service companies

6100

Fleet Management

Features:

- Standard fleet solution
- Maintenance alerts, robust reports
- Quick 3-wire installation

Key Markets:

- Light commercial fleets
- Local delivery fleets
- Service companies

1600

Powered/Non-Powered Equipment

Features:

- Weatherproof housing
- Engine hours reporting
- Maintenance alerts

Key Markets:

- Equipment rentals
- Heavy duty construction equipment
- Track and trace applications

7600

Portable Fleet Management and Lone Worker Safety

Features:

- Portable and battery operated or cigarette adapter powered
- Highly sensitive GPS
- Integrated Panic button

Key Markets:

- Fleet management for personally operated vehicles
- Lone workers
- Home health care workers and realtors

8200

Asset Security and Executive Protection

Features:

- Small, battery powered for up to 30 days
- Indoor locatable with Qualcomm gpsOne™ technology
- Optional Panic button

Key Markets:

- Goods-in-transit tracking, covert surveillance
- Copper wire theft
- Executive protection/lone workers

8100

Asset Security and Personal Protection

Features:

- Small, lightweight and cost effective
- Battery powered for up to 10 days
- Indoor locatable with Qualcomm gpsOne™ technology

Key Markets:

- Goods-in-transit tracking, covert surveillance
- Lone worker security
- Independent living

DS500 MOBILELOCK

Jobsite Security and Asset Tracking

Features:

- Weather, heat and impact resistant
- Indoor locatable with Qualcomm gpsOne™ technology
- Range of configurable alarm sensors

Key Markets:

- Heavy equipment protection
- Portable container security
- Copper wire theft
